AN AUCTION FOR THE LANDS COUNCIL

Join The Lands Council and your local environmental community for a good time, food, drinks, and the opportunity to bid on some amazing live auction items - all while supporting The Lands Council's efforts to preserve and protect the Inland Northwest forests, water, and wildlife.

Your sponsorship does more than simply put your organizations name in front of Spokane's environmental community and business leaders; it makes a real difference to the future of our community's environment.
